## PRINT AD FORMATTING

Preferred format: PDF file (prepress optimized, CMYK, fonts embedded). If a PDF file is inconsistent with Encore's ad specifications, the ad will be returned to the advertiser for modification, or run as submitted. Alternate ad formats: InDesign, Illustrator, Photoshop. Should a submitted file require modification to meet these ad specifications, the advertiser will be notified that it may be subject to production charges.

Fonts: Encore cannot accept PC fonts. Suggestion: If an ad requires several fonts, or a PC font, the ad should be crated in a vector-based program such as illustrator, with fonts converted to outlines.

Unacceptable formats: PDFs created using PDF Writer, Publisher, Corel, Word, Excel or PowerPoint.

Modifications to ads: Should a submitted file require modification to meet Encore's ad specifications, the advertiser will be notified that the ad may be subject to production charges. Encore reserves the right to substitute fonts.
